

International Commerce and Import/Export

(LCA.ER) A.C.S.

Prepare to become a **Certified International Trade Professional (CITP)**. Learn import/export laws, regulations, marketing and international business strategy.

International trade is the business of importing and exporting goods around the world. Globalization and international transportation networks have made it easier than ever to buy and sell products overseas.

Herzing College is a recognized training partner of the Forum for International Trade Training (FITT). Our International Commerce and Import/Export program is based on their training materials.

Our students have the option to earn the prestigious Certified International Trade Professional (CITP) designation.

🕒 Program Length: **14 Months OR 24 months**
Includes 8 week internship

📖 Program Delivery:
On Campus, Online, Hybrid

▮ CAREER OUTLOOK

This is good demand for international trade professionals in Montreal. The Government of Canada Job Bank predicts strong employment growth in this field over the next several years—particularly in entry-level positions.
